GOLF LADDER TO CHANGE AT POST

[Special Star-Bulletin Correspondence]
SCHOFIELD BARRACKS, H. T., May 30.—Since the match some days ago when the officers defeated the golf team from the Country Club at Haleiwa things have been quiet in Schofield golf circles. The interest in the game has not fallen off in the least and the course has been busy every day, rain or shine. Play for positions on the golf ladder has gone on uninterruptedly and every day sees a change in two or more "rungs" of the ladder. Lieut. Snow now holds the top of the ladder by virtue of having defeated James Greig, who has slipped back as a result to second place. Lieut. Sadler, who only started playing golf a few months ago, has worked his way up through all of C class and is almost at the top of B, and at the rate his game is improving in a few more matches he should be up in class A.

The ladies of the golf club are displaying great interest in this particular form of contest and in all probability the club will stage a tournament for the ladies in the near future.

The next thing of interest to Schofield golfers after the tournament to-day will be the contest for the Wall-Dougherty trophy cup. This cup is played for each July and is a handicap tournament. The drawings have not been announced as yet but an announcement will be made in the near future. Last year the winner of this cup was Lieut. Wells of the 1st Infantry. Lieut. Wells played his three final matches in two days. His last and deciding match was played in the morning and Wells caught the transport for the States in the afternoon.

CHINESE AND LULUS BATTLE

At 3:30 this afternoon the Chinese and Honolulu will clash in the second game of a doubleheader at Athletic Park. The first game is played between Punahou and the Filipinos, which started at 1:30. In the second game, Luck Yee or Hoon Ki will oppose Meyer or Williams of the Lulus.

The two teams won their last contests, and with new strength the Honolulu are expected to give the Chinese team a great battle for honors.

At Schofield today the St. Louis team will meet the strong 25th Infantry team in a Decoration Day clash.

PAWAAS POUND PALMS PITCHER ON SUNDAY

Coming from behind the Pawaas defeated the Sheltering Palms on the Pawaas diamond Sunday by a score of 9 to 5, after the Palms had a three-run lead. A large crowd was present and the rooting section cheered on the young warriors as they fought for every run.

They scored three tallies in the eighth and then came back in the last inning and pounded out three more off Gouveia, the Palms' pitcher. Louis Fragas was the star of the winners, landing two homers and pitching a good game throughout. Tony Barbarosa made a homer which was a hummer. The Pawaas lined up as follows:

Ah Chin, ss.; Arthur, 1. f.; Jacobs, c.; Fragas, p.; Barbarosa, 3b.; Ke, 1b.; Takio, 2b.; Tai Yin, r. f.; Correia, c. f.

PEACEFUL PACIFICS WIN FROM IRON MEN SUNDAY

Peaceful Pacifics battled furiously against the Honolulu Iron Works team on Sunday afternoon at the Makiki grounds and when the game conference had completed the work it was decided that the Pacifics had won out by a score of 15 to 3 and the Henry Ford squad immediately marched away with the laurels.

Ah Hoe, the star pitcher for the Iron Works, could not stop the terrible bombardment by the Pacifics.

DESIRE TO FURTHER CHRISTIANITY AMONG HAWAII JAPANESE CHILDREN

Delegates to Episcopal Convocation Petition Board for Further Appropriation

Rev. J. Knox Bodel and John E. Baird have been selected by the fourteenth annual convocation of the mission district of Honolulu as clerical and lay delegates respectively to represent the local Episcopal diocese at the general convention of the Protestant Episcopal Church of the United States to be held in St. Louis, Mo., next October. Rev. Canon John Osborne was elected clerical alternate and John Guild lay alternate.

The feature of yesterday's business session was the passage of a resolution asking the board of missions in New York City for an increased appropriation with which to further the teachings of Christianity among Japanese children of the Hawaiian Islands. This resolution is, in part, as follows:

"In the Territory of Hawaii there are more than 90,000 Japanese, of whom 25,000 were born in Hawaii and so are American citizens. To show the rapid increase in 1915 there were 3362 Japanese children born in the Hawaiian Islands.

"At the end of 1915 there were 12,653 Japanese children in the schools of the islands out of a total of 36,523.

"As churchmen and as citizens we recognize the great significance of these figures to the future of these islands and the immense importance of teaching these children the principles of the Christian religion; if we do not teach them we shall soon have in this American territory a plurality of voters who will be Shintoists or adherents of some Oriental cult, which will bind them to their national ideals and principles.

"In view of the above facts we, the bishop of Honolulu, the clergy and laity of the fourteenth annual convocation of this missionary district respectfully and urgently request the board of missions to appropriate the sum of \$10,000 for the purpose of establishing a Japanese Christian school in Honolulu, which made three home runs, four triples and five doubles. This makes the sixth straight victory for the Pacific squad. The line-up was as follows:

Williams, c.; Franks, p.; Camacho, 1b.; Oliveira, 2b.; August 3b.; Roberts, ss.; Freitas, r. f.; Correa, c. f.; Rodrigues, l. f.

CAUGHT FROM THE FENCE

Johnny Carroll gave Young Lady a fast half-mile this morning on the Kapiolani park track.

A number of polo players were out this morning practicing their ponies on the outer edge of the track. Among those out today were Robert Shingie, Arthur Rice, George Beckley, A. N. Campbell and Robert McCorriston.

Domingo Ferreira breezed Oneonta along this morning at a fast clip.

Mayor John C. Lane, George Angus and Ed McInerney were interested on-lookers early this morning.

A number of horses will be given workouts tomorrow morning.

Many railbirds gathered to catch the 10 o'clock race this morning between College of Hawaii and Society of Prevention of Cruelty to Animals, which was the feature of the day.

Workmen are rushing work on the grandstand and bleachers, and all will be in readiness for the big race meet on June 10 and 12.

The polo field is in excellent shape at present and critics pronounce it one of the best in the country.

Kapihi, Jr., a Kauai entry, looked good in the first appearance.

Myrtle made a fast half this morning. Galety coming in on the last quarter.

Jockey Nakamura had Ladylike, the Spalding entry, on the track this morning.

Jules Raposa is in charge of the Spalding string from Kauai.

A press stand will be erected next to the judges' stand and directly opposite the grandstand for the convenience of the newspapermen.

Entries from Maui will arrive at the track on Thursday morning.

board for an increased appropriation to which we will add in every way possible. This appropriation if granted would be used for the employment of Japanese clergy, catechists and teachers. This would enable us to take up the work which is now open to us and pressing upon our attention.

"These islands, constituting the Territory of Hawaii, may be admitted as a state at any time. There is before use the possibility of a state with a population constituted largely of a people with a religion so national in character that it carries with it national prejudices and ideals. We, as citizens, regard the need of more workers among the Japanese as urgent."

The convocation yesterday selected Reynolds B. McGrew as its treasurer, and the following persons to comprise the endowment committee: L. Tenney Peck, John Guild, C. F. Clemens, R. B. Anderson, J. N. S. Williams, Rev. Canon John Osborne was relieved as a member of the council of advice owing to an expected trip abroad and Rev. D. D. Wallace was appointed in his place.

Resolutions to the memory of the late Edmund F. Melanphy were passed at the conclusion of the session.

WOULD HAVE POLICE OFFICERS KILL ANIMALS

Supervisor Daniel Logan is considering the drafting of an ordinance to be introduced, by request, at a future meeting of the board of supervisors, which will authorize any police officer to shoot condemned animals on the request of an agent of the Humane Society.

"With paid police patrolling the city with guns in their pockets it is a shame that a fee must be paid to put a suffering animal out of its misery," declares Logan. "There is only one way out of it and that is for the board to pass an ordinance allowing a police officer who is shown authority for the act to shoot suffering animals."

UP-STATE NEW YORKERS HEAR OF TRANQUIL ISLES

Buffalo people are talking Hawaii, according to Albert P. Taylor of the Hawaii Promotion Committee, who has received a number of communications from the Falls City asking for literature on Hawaii. Mr. Taylor has forwarded a number of pamphlets on the "Tranquil Islands" which have been bringing unusual results.

Kansas' wheat crop is estimated at 115,000,000 for this season by the Kansas Grain Dealers' association.
